COOKING INSTRUCTIONS

Pre-Heat oven to 425 degrees

REMOVE ALL PACKAGING AND/OR WRAPPING FROM OYSTERS

Oyster Rockefeller: *Thaw oysters in refrigerator prior to cooking.* Remove the oysters from the packaging and place them on an ungreased pan. Place pan with oysters in your preheated oven for approximately 15-20 minutes or until an internal temperature of at least 140 degrees F is reached. Using pot-holders, remove from the oven and let set for about 5 minutes before serving.

Oyster Rockefeller must be cooked within 72 hours of receipt.

We do not recommend freezing this product.
